AIR FRANCE & KLM
Global Meetings

If a travel agency is in charge of ticket issuance, attendees may only book their flights through it.

In this case, the organizer should provide participants with the contact details of the agency.

Benefits for event attendees

- Benefit from attractive discounts on a wide range of public fares with Air France, KLM and Hop! Air France
- Earn miles with our Flying Blue frequent flyer program
- Book in advance and travel with preferential fares 5 days before and after your event

Benefits for organizers

- Offer your attendees discounts on a large selection of public fares
- Win free tickets with our reward program
- Register your international events in just a few clicks
- Access promotional material for your event
- The website is available in several languages

Terms and conditions Eligibility

- There must be at least 10 participants likely to use air travel
- Events must be registered at least 2 months and no more than 5 years prior to the event
- The offer is only for AIR FRANCE, KLM, HOP! Air France flights and codeshare flights
- Prices are subject to availability when passengers book their flights
- The event ID code must be given to the attendees
- You may be asked to prove your participation in the registered event
- Only specific and authorized travel agencies can access all Global Meetings fares
